

Chemical Card Plus Expression of Interest

RuralBiz

Training

- We are seeking expressions of interest from people living or working in NSW interested in fully subsidised chemical training.
- Complete the Expression of Interest form over page and return to us to get the ball rolling to improve your skills. Once we receive 10 expressions of interest, we will put a funding application (normally takes about 2-3 weeks for notification).
- Chemical Card Plus is designed for farmers to meet the requirements for on farm chemical use efficiently and economically. It provides accreditation for pesticide users at the AQF3 level - the level recommended by authorities for anyone applying pesticides unsupervised e.g. farmers.
